GREAT ENDINGS were on many seniors' minds on August 20, 1998. It had been a long-awaited moment, their senior year. Many were already planning ways to make high school end great. However, the eighth graders were a bundle of nerves. They had no idea what they were beginning as they stepped into the halls of J.J. Kelly High School, but they were looking forward to finding out what was in store for them.

On the first day of school, 753 students walked into Kelly. Some were happy to be there, while others were already counting the school days left. Conversations were varied. Some seniors were talking about graduation, while underclassmen were discussing the prospects of more pep rallies. Others were talking about what was new at Kelly. For example, the new Principal, R.A. "Buddy" Shull, and the change from one to two lunches. No one knew quite what to expect, but everyone knew that the new school year had begun.

Coal Appreciation Week

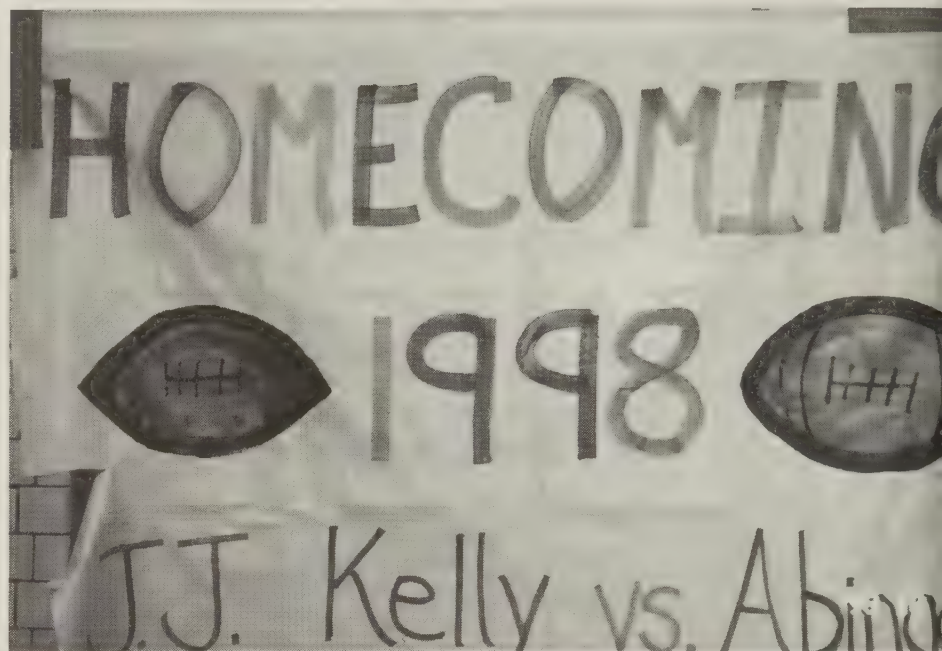

An annual event at Kelly is Coal Appreciation Week. This usually occurs during the first six weeks of school. This year Andrew Arney guessed the correct weight of the coal in the wheelbarrow and won an activity pass. Art contest winners were Ruben Hall, Amanda Ellison, and Derek Peters.

Kelly Students Working Hard

Mr. Whited is trying to relive his high school years.

Coach Dotson's class works hard!

Art class is definitely a favorite at Kelly.

1998 Prom Committee - Hard at work!!!

The colors had been picked, the theme decided, and the court nominated. All that was left were the decorations. So, on April 24, 1998, the prom committee met after school at Holiday Inn to begin decorating. Finally, around 9:30 that night, the few dedicated souls who remained went home for the night. However, early the next morning, the dedicated committee came back and finished the job. And we must admit- the **HARD WORK** was worth it!

1998 Junior/Senior Prom

Finally...the big night had arrived. The 1998 Junior/Senior Prom was here. Everyone showed up looking their best. The prom colors were iridescent and pastels. The theme was "Something About the Way You Look Tonight." Andrew Arney and Amanda Ellison were voted Prom Prince and Princess. Everyone looked great in their shimmering gowns and stylish tuxedos. At the end of the evening everyone left with the night forever engraved in their memories.

The Class of 1999 will be saying their final farewell to J.J. Kelly High School this May. All the class members will carry memories of their academic year home with them. Memories from Old Fashion Day at primary school to the Junior/Senior Prom will always be with the senior class. The senior class will go their separate ways, but they will always be together in their hearts. Godspeed.

J.J. Kelly Faculty

This year J.J. Kelly added a new face, R.A. "Buddy" Shull. Mr. Shull brought many new ideas to Kelly. He has made a wholehearted effort to get to know both the faculty and students at Kelly. He would like to leave the seniors with some words of inspiration, "Don't make the easy wrong decision, but always make the difficult right decision." The yearbook staff would like to extend a warm welcome to Mr. Shull and wish him many happy years here at Kelly.

Our Sign Says It All.

Our big red sign has been a strong symbol of banking for Virginians and a familiar sight in our area for a long time. We're proud of being a part of the oldest bank holding company in Virginia ... and of remaining a community bank with local directors and hometown management. We think that's important because it gives us a unique, very personal understanding of the financial needs of the people we serve. Take a good look at our sign. We're proud of what it says about us and what it means for our community.

Targeted Treatment!
That's what you'll
find at the Regional
Rehab Center's
Sports Clinic. Our

trained professionals can zero in on the injury, conduct an assessment and give you a plan of action to get you back in the game!

New Beginnings...

are on the minds of all the members of the class of 1999. Five wonderful years have passed and now it is time to move on with our lives. Many of us are going to college while others are going right out into the workforce. We all want to succeed and J. J. Kelly High School has given us the first stepping stone in our journey for success. We are all leaving each other, but we will always carry memories of all our friends at Kelly with us throughout life. We will never forget.
